

Support our Pubs & Country Bus Routes with 'Bus to the Pub' around Sussex

If you would enjoy visiting different pubs with fine ales in friendly convivial company without the constraints of the car, then our varied programme of regular daytime 'Bus to the Pub' (BtTP) socials may just appeal ! With so many good pubs struggling to survive in the current economic climate and County Council budget cuts threatening the subsidised bus services that serve their local communities, it is now very much 'use them or lose them time'.
